

THE STUDENT CODE OF CONDUCT/CONTRACT WITH **St Francis Xavier Catholic Sixth Form College (SFX)** **DETAILED CONDITIONS**

Please read this document very carefully and acknowledge and agree. Students are not enrolled in the College until this is completed

The contract underpins the partnership which has been agreed between the College, students and parents/carers. It sets out important rules and expected standards of student behaviour, which are essential in maintaining SFX as a safe College where learning is the goal of everything we do.

The Learning Agenda

- I understand that SFX only enrolls students who are committed to honouring the College Mission Statement.
- I understand that SFX only enrolls students committed to undertaking full-time education. As such, the College may insist that to remain at SFX, I must undertake the full list of courses agreed when I sign my Learning Agreement in September 2022.
- I will work to the best of my ability and meet all homework/assignment deadlines. I will engage positively in all class activities, group work and discussion. I will also spend adequate time outside class preparing and improving work. I understand that failure to meet coursework or portfolio deadlines may result in my removal from a course. Without a full-time learning programme, I will be asked to leave the College.
- I will behave in a manner that is respectful towards other students and staff and members of the public.
- I will arrive properly equipped to participate fully in all my lessons, with all items necessary for individual learning in every lesson.
- I will aim to consistently achieve 100% attendance
- I will fully engage with the College's compulsory Core Curriculum programme for Religion and Philosophy, Tutorial and Careers.
- I will show full commitment to any Enrichment activity, either compulsory or voluntary, that is organised by the College, e.g. sports, trips, conferences, revision classes, etc.
- Where applicable, I will inform all tutors of planned absences in advance and will ensure that a parent / guardian notifies the College about absence because of illness on the first day of the absence.
- If I am unwell, and wish to go home to recuperate, I will sign out at Support Services before I leave College.
- I will submit up-to-date medical evidence for ongoing illness, if requested to by the College
- If work experience is part of my programme, I will attend each day and participate fully in all activities that are offered by the employer.
- I will make myself available for my progress meetings with my teachers.
- I understand that the College will share with parents / guardians matters of educational information, including for over 18s unless I am not dependent on a parent / guardian.
- I will abide by the Academic Honesty Policy in all work that is submitted for internal and external assessment.

General Conduct

- I will behave in a way which does not offend others, is not discriminatory, abusive or aggressive in terms of age, disability, gender, gender re-assignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief and sexual orientation, and which shows care and consideration for all fellow students and staff and members of the public.
- **I understand that the following types of behaviour will lead to automatic exclusion which, in some cases, may be permanent. (1)**
 - Fighting with / assault on or intimidation of another student, member of staff or member of the public inside or outside the College or in the local area
 - Verbally aggressive or abusive behaviour, inside or outside the College or in the local area, towards another student, member of staff or member of the public
 - Violence by verbal encouragement (incitement of violence)/ aggression, being present in the vicinity of a violent incident and /or failing to inform the College of potential risk / harm to students, staff or members of the public
 - Failure to leave the local area when told to do so by a member(s) of staff
 - Possession of an offensive weapon or item which could cause harm. I understand that the College reserves the right to search students for offensive weapons, and that this is done for the safety of all in our community. I agree, as part of my contract with the College, that I will enter the College building via the search arch, should I be required, at random, and I also agree, as part of my contract with the College, that I am willing to submit my belongings for search before I enter the arch, and myself should I set off the search arch alarm. I understand that those who are in possession of offensive weapons pose a danger to everyone, and will not be allowed to return to the College. Further, the College will have unannounced searches in association with the Metropolitan Police throughout the year.

OFFENSIVE WEAPONS – Students are prohibited from bringing offensive weapons into College. The College has a legal right to search students, if it is reasonably suspected that they may be carrying an offensive weapon. Any student found to be carrying an offensive weapon will be permanently excluded and will be reported to the police.

In this case, the College defines offensive weapons as any items which may be used to cause harm, e.g. fire arms, bb guns, knives, fireworks, blades of any kind, screwdrivers, nunchukas, belts and buckles, laser pens, knuckledusters, large rings, CS gas or pepper spray, any corrosive substance, manually sharpened items or items specifically manufactured to cause harm or altered to have the potential to cause harm.

Students may have a reasonable explanation for bringing into College an item which may cause harm, e.g., an umbrella or belt to hold up trousers. In such cases, if the item is used to cause harm, it will be considered an offensive weapon, and the disciplinary process will be managed accordingly.

- Possession, distribution, selling or storage of drugs, including so-called ‘legal highs’ (substances with stimulant or mood-altering properties including edibles, (the use of which may not yet be banned by current legislation regarding the misuse of drugs), alcohol or stolen goods. I understand that providing other students with ‘laughing gas’ is now a criminal offence, and that the College will report such incidents to the police. I also understand that the College bans student use of ‘laughing gas’, and that I may be excluded, if found in possession of ‘laughing gas’ canisters, full or empty. If found during random searches, the College will initiate disciplinary procedures. The College reserves the right to search any student suspected of carrying illegal substances or substances that may do them or others harm.
- Fraud, e.g. falsifying documentary evidence or other official documents, using lost / stolen credit cards, using fake banknotes or coins in the College or in the local area

- Theft from local businesses, residential properties in the local area, other students, staff or the College, including mobiles / chargers / wires left unattended. Shoplifting will not be tolerated, as it is a criminal offence and brings the College into disrepute.
 - Deliberate damage of student, staff or College property or property belonging to local residents or visitors to the local area, including damage to parked vehicles
 - Bringing in an outsider or helping an outsider to come into the College without approval, e.g. by sharing an ID card or lanyard, and failing to inform College staff of the presence of an outsider in the College
 - **Bringing the College into disrepute**, e.g. by causing a public nuisance / generating complaints from neighbours, including hanging around in front of/on private property, unnecessarily blocking the pavements in the local area, screaming near residential areas or at / near bus stops or tube stations, walking in the middle of the road and thus putting self and other road users at risk. Students should note that they may not go onto local housing estates or other local private residential property under any circumstances.
 - Bullying or harassment, whether in person, via third parties (i.e. other students or individuals who are not students) or **on social media**
 - Filming, photographing or recording teachers, students or others without their written permission and /or posting the film/ photo(s)/ recording(s) on social media or sending them to other individuals
 - Engaging in any financial agreement or transaction or sale of goods with another student or assisting a third party to do so
 - Compromising the security of the College and the safety of others by entering or exiting the building through the fire doors except in the event of a fire when the fire doors will automatically open
- **I understand that the following will lead to sanctions up to and including temporary and permanent exclusion:**
 - Failing to comply with the Learning Agenda as expressed above
 - Persistent disruptive/disrespectful behaviour or persistent failure to abide by College regulations

Peer on peer abuse: I understand that any form of peer on peer abuse is unacceptable and will be treated in the strictest way. I understand that peer on peer abuse includes bullying, violence, harassment, abusive comments and remarks, the sharing of inappropriate images and videos and anything that causes another person to feel humiliated, harassed or bullied.

E-Scooters: I understand that there is no facility in College to store e-scooters or similar modes of transport. I will not bring an e-scooter to College

The decision that a student should be permanently excluded or asked to leave will be made by an Assistant Principal Student Welfare and countersigned by the Senior Post Holder. Students will be offered the opportunity to appeal to the Principal, whose decision will be final. ⁽²⁾

(1) Where there is the possibility of a criminal offence, the Police Liaison Officer will be contacted

(2) Grounds for Appeal and the Appeals Procedure will be made available if a permanent exclusion letter is issued

- I will respect the needs of other students and staff by observing all rules and safety regulations throughout the College, paying particular attention to those in laboratories, workshops, sports areas and all public areas on site. I will behave responsibly in respect of the health and safety of myself and others in the College.
- I will immediately and **without argument** hand my ID card to **any** member of staff who requests it
- I will not pass my ID card or lanyard to another student or anyone from outside the College or in any way assist any individual who is not a current student to come on site.
- I understand that I should not invite friends/acquaintances from outside the College on site or to the vicinity of the College, and that I could be held responsible for any incidents in the College or in the vicinity of the College, which may result from such an invitation.

- Food and drink may not be taken above the ground floor or consumed in the Reception area. I will dispose of all litter and gum using an appropriate bin. I will not spit on site or in public areas. I will not smoke (including E-cigarettes, vapes and illegal substances) or vape in any area of the College or College grounds or outside the College gates in Malwood Road or sitting on the walls of residential or commercial properties in the local area
- I will not play games, e.g., 'Pound Up' or card games, which involve gambling for money or other property, either inside or outside the College.
- If I need to go home because of an emergency when I have timetabled lessons, I will arrange to do so with my Personal Tutor, contact any staff whose lessons I will miss, and sign out at the Support Services desk
- **I will keep noise levels to a minimum on site and in public places, e.g. at bus stops and in residential areas**
- I will not engage in any trespassing behaviour, e.g. on local council or private residential property or be the cause of complaints to the College from local businesses or residential areas
- I understand that the College cannot accept responsibility for my personal property. I should not bring in valuables or large sums of money. Mobile phones / iPads/ laptops etc. are brought into College at my own risk. Mobile phones are disruptive to others. My phone / iPad/ earphones etc. must be **switched off and put away** during lessons, other guided activities, (unless this is required in the lesson) and when working in the LRC, unless a teacher specifically gives permission for work to be done on these. Noise and music from these devices must never disturb the College environment. **Should I ignore these rules, I accept that I will be asked to hand over my equipment to a member of staff.** My equipment will be returned at the end of the College day (4.00 p.m.) at the Student Services Desk. **The College takes no responsibility for lost or stolen items.**
- I understand that birthday cakes, balloons, candles and the ordering of takeaway foods and drinks for celebrations is not permitted in social or other areas, nor is the placing of orders for delivery to College.

I understand that SFX is part of a wider community, which includes local residents, businesses and commuters. I understand that I must follow the guidelines below immediately outside the College and in all roads in the local area:

- Keep noise to a minimum
- Leave enough space for others to use the pavement, particularly the elderly, infirm and those with young children
- Use the bins provided to dispose of litter
- Treat all workers in local businesses and the local area with respect and courtesy

Student Entry To and Exit From The College

I understand that:

- Students may **only** enter the College via the security gates at Main Entrance to the building using their ID card
- Students may not enter or exit the building via fire exits except in the event of a fire when the doors should automatically open to allow exit
- Where a student is not in possession of an ID card, entry to the College may be gained by asking for a temporary ID. Students may request up to three temporary one-day ID cards per term. These must be returned to the Security staff at the end of each day. Students who come without an ID card on more than three occasions per term may gain entry to the College either by purchasing a new ID card (£5) or by returning home to get a forgotten card.
- **Any attempt to force entry or exit, or which results in damage to the security gates will be treated as vandalism of College property and will be dealt with in accordance with the statement about General Conduct above, and may result in exclusion, temporary or permanent.**
- Any attempt to help an intruder gain access to the College via the security gate will be treated in accordance with the Student Code of Conduct and Student Contract
- **Any attempt to by-pass the security system or to ignore those who are employed by the College to oversee the security gates and patrol the corridors will be regarded as flouting the College security system, which is in place for the safety of all, and will be dealt with in accordance with the statements above about General Conduct**

Progression within College

There is no automatic progression on BTEC courses from Level 1 to Level 2 or Level 2 to Level 3. Students hoping to progress to the next level **must fulfil all the minimum requirements below:**

- Achieve a Pass at Level 1 to progress to Level 2
- Achieve a Merit / Pass at Level 2 to progress to Level 3
- Have a satisfactory reference from the Personal Tutor, Head of House and BTEC Team Leader
- Have a satisfactory reference from the work experience employer
- Have satisfactory attendance and punctuality, deadline management and complied with the Learning Code (stages)

Progression from Year 1 of a Level 3 programme to Year 2 is subject to an exemplary College record, including attendance, punctuality and behavior.

Students' Responsibilities for Attendance and Punctuality

I understand and agree to abide by the College expectations for good attendance and punctuality, as set out below:

To ensure you achieve your maximum potential, it is essential you attend all lessons on time. The College sets high standards for learning and achievement, and expects you to achieve 100% attendance and be on time for all lessons. Excellent punctuality and attendance will reflect positively in assignment grades, exam results, references, and progression at SFX or to university/employment. Students pay a high price for taking on too much part-time work. Research shows that grades drop in proportion to hours worked.

Persistent poor attendance and/or lateness will result in disciplinary procedures. As part of the early intervention policy, contact / meeting with a parent /guardian can be arranged at any time. If no improvement is seen, the College reserves the right to pursue poor attendance/ punctuality with the full force of the Learning Code, up to and including permanent exclusion. Students with unsustainable attendance can be asked to leave College at any time during the year.

Attendance

- In the event of illness, or unforeseen absence, a **parent/guardian** must contact the College before 9.00am, even if the student's first lesson is later that day. This can be done via email or phone.
- Specialist appointments must be verified by evidence on official headed paper, e.g. hospital appointment, orthodontist, physiotherapist, etc. This evidence must be submitted to the Support Services desk in **ADVANCE** and the absence will be coded.
- Non-specialist appointments are **unauthorised**, e.g. doctor, dental, opticians, driving lessons, job interviews, etc. and should not be made during the College day.
- Students can review their attendance on Dashboard and parents can access it via the parent portal
- For long term or persistent absence caused by illness, an up-to-date medical certificate must be given to the Head of Faculty, upon request, accompanied by a letter from the student's parent / guardian.
- For open days and interviews at universities, students must collect a Confirmation of Student's Absence form from Support Services to take with them, have it stamped by the university to confirm their attendance, and return it to Support Services promptly.

Punctuality

- The College expects all students to be on time for all lessons. We advise all students to arrive at least 5 minutes early for all lessons. Lateness and persistent lateness have a detrimental effect on student progress and outcomes, disrupt others' learning and will not be tolerated by the College.
- KAPP reports will show the number of times a student has been late to lessons. If lateness becomes a problem, the teacher will put the student onto Stage 1 of the Learning Code.

- Students returning from a specialist appointment should hand in documentary evidence at Support Services.
- Students must take responsibility for catching up on missed classwork /assignments
- Please note: The College reserves the right to introduce attendance and punctuality initiatives throughout the year, this may include not allowing latecomers into lessons and disrupting learners.

Fitness to Study Policy

- I understand that the College will act reasonably, within the resources at its disposal, to support me to continue my education in the event of serious illness or disability, as set out in the Fitness To Study Policy, which can be found on Moodle
- I understand that I will be required to furnish the College with **up to date medical certification** upon request, as evidence of any ongoing illness or disability, as set out in the Fitness To Study Policy
- I understand that no reasonable adjustment can be made without medical evidence of the impact of my illness on my ability to attend and learn
- I understand that no reasonable adjustment can be made for public examinations unless the College receives a letter for the examination board, which gives a diagnosis, states the impact of the illness on my ability to function in College and to learn / revise and any recommendations about the type of reasonable adjustment(s). **This letter must be signed by a hospital consultant.**
- I understand that the College may make a decision to ask me to leave temporarily or permanently, if it deems this to be in my best interest or that of other students
- I understand that unverified and medically uncertified absences, **consecutive or cumulative**, may result in the termination of my course(s) or place at College
- Where studies are interrupted by medically verified ill health, the College will consider an application to return to study

Acceptable Use Policy for Information and Communication Technology Resources (ICT)

I agree to abide by the Policy as set out below:

The College has provided a large number of computers and mobile devices for your use. The computers offer access to vast amounts of valuable information and access to services to support you during your studies. The computers and mobile IT devices are provided and maintained for your benefit. You are encouraged to enjoy these resources and to ensure that they remain available to all. Any damage, malicious alteration or inappropriate use of the computer equipment may harm your education and that of others. To protect all in its care the College must insist that you adhere to the Acceptable Use Policy which lists the rules for the use of the equipment. Students who receive an Apple iPad as part of the College's digital transformation strategy, you are required to review and agree to the terms and conditions of the iPad use policy.

Use of Computers and IT Equipment

- Respect the equipment and other students' rights to use the equipment.
- You must not use a computer unless a teacher or appropriate member of staff has said you can. Unsupervised use of computers is not allowed.
- You must not install, or attempt to install programmes of any type on a machine, or store programmes on computers without the permission of an appropriate member of staff. This includes playing games over the Internet.
- The system must not be used to download or listen to music or video files for personal use.
- You must not damage, disable or otherwise harm the operation of computers, or intentionally waste resources (printouts cost money).
- Care for the environment in your working practices.
- You are expected to respect and not attempt to bypass security in place on the computer systems. Accessing, copying, removing or otherwise altering other people's work or attempting to alter the settings of computers is not an acceptable use of the equipment.
- You will make every effort not to introduce viruses onto the College network.
- You must log off of the machine once you have finished using it.

E-Safety Rules & Guidance for using Internet, SFX Moodle & Mobile Devices

- Never give your network username and password to others.
- All network and Internet use must be appropriate to education.
- Copyright and intellectual property rights must be respected – always acknowledge where your information came from and quote your sources, including images.
- Always use your College email for College matters. Staff will generally use College email addresses when communicating with students.
- Email messages shall be written carefully and politely, particularly as they could be forwarded to unintended readers.
- Do not open personal emails or messages, unless you know who they are from.
- You must not forward confidential messages or other sensitive information.
- Users must take care not to reveal personal information through email, personal publishing, social network sites, tweets, blogs or messaging (including text messages).
- Use of social networking sites and chat rooms are not permitted during teaching hours, unless supervised by teaching staff.
- Your use of the IT facilities must not harass, harm, offend or insult others, either inside or outside the College.
- Take care when posting photographs or video clips of yourself and be aware they could be posted by others without your permission, or be used against you in some way.
- When posting photographs or video clips of others, always ensure you have their permission.
- Anonymous messages and chain letters are not permitted.
- Use of College resources for personal financial gain, gambling, political activity, advertising: the system must not be used to download or listen to music or video files for personal use.

- You must not damage, disable or otherwise harm the operation of computers, or intentionally waste resources (printouts cost money).
- Care for the environment in your working practices.
- You are expected to respect and not attempt to bypass security in place on the computer systems
- Accessing, copying, removing or otherwise altering other people's work or attempting to alter the settings of computers is not an acceptable use of the equipment.
- You will make every effort not to introduce viruses onto the College network.

Use of the Internet:

An Internet filtering policy is in place designed to protect students from content considered undesirable. You must comply with the legal requirements for using materials obtained from the Internet and reusing them in the curriculum. A "fair play" policy is in place. Use of the Internet must be reasonable and is to be used for curriculum purpose. Internet access is logged for students. These logs can be investigated as required by the College Management and may be used in student disciplinary actions. Access to and use of social sites, including Facebook, Twitter etc. is not permitted for social purposes, whether on College devices or on your own device via the College's WiFi. Extra care must be taken to ensure that you do not violate any of the principles of the Data Protection Act and Computer Misuse Act when using College IT services.

Monitoring student use of IT resources

The College will exercise its obligation to monitor the use of the network, including access to websites and emails. Every keyboard keystroke is monitored for auditing and safeguarding reasons. The College takes safeguarding very seriously and is required to monitor and report any activities that may be deemed as extreme in nature and has a potential of causing harm to self or others. The IT administrator will remove inappropriate materials where it is believed that unauthorised use may be taking place, or the system may be being used for criminal purposes or for storing unauthorised or unlawful text, images or sound.

Sanctions

Irresponsible use of IT resources may result in the loss of network or Internet access. Evidence of serious misuse of email and/or internet by you, may result in disciplinary action. For serious violations, suspension or expulsion may be imposed and, where appropriate, police may be involved or other legal action taken.

What to do should your user ID be disqualified as a result of a breach of this policy

Your Personal Tutor and LRC staff will be notified by email. Speak to your Personal Tutor and ask him/her to contact the Head of House requesting an interview for you. Depending on the outcome of the interview and the nature of the offence, you may get a second chance. Failure to turn up to the interview will result in you being referred to the Senior Head of House and possibly being excluded until your parent/guardian attends a meeting with an appropriate member of staff.

Academic Honesty – Guidelines for Students

At SFX we place a high value on honesty and this extends to work submitted for assessment. When writing your essays, assignments and coursework, you must always acknowledge your sources, whether you are quoting the words of another person or if you are using their ideas. In this way you will avoid plagiarism, which is passing off someone else's work as your own.

How to avoid plagiarism:

- Be organised – keep a record of your sources as you do your research, including the URLs for websites and the date retrieved. Also keep a copy of all your notes.
- Follow guidelines on how to do your references, e.g. the 'LRC Referencing Guide', available to all students on SFX Moodle, or ask for help from your subject tutor or from LRC staff.
- When quoting someone else, always provide a reference to the source of the quote.
- When using someone else's ideas, acknowledge this in your work and put the details of the source in your references.
- Try to use your own ideas and words as far as possible.
- Never copy directly from texts, including books, magazines and newspapers without saying where you got the information from.
- Never copy and paste from the internet or other online resources without showing your sources, including the URL and the date retrieved.
- Never use images, graphics, video clips, diagrams, graphs or maps taken from texts or the internet without citing the source.
- Never present the work of another student as your own.

The College will treat cases of academic dishonesty very seriously and the consequences could include receiving zero marks for your work or even being disqualified from your course.

I agree to abide by the Academic Honesty Policy as set out above.

LRC Code of Conduct

The Learning Resource Centre (LRC) provides a physical and digital library that includes a comprehensive range of physical and digital resources (21,000 items consisting of books, DVDs, audiobooks, e-books, online databases, journals and magazines, rulers, calculators and headphones). It offers Wi-Fi access to personal mobiles loanable iPads and laptops. It also provides 36 study cubicles (20 with power sockets) 4 quick access PCs and 70 bookable PCs. Students will find an environment conducive to individual research, dedicated to individual silent study.

The LRC team offers independent learning support as well as library and research methodology seminars throughout the year. It is possible to make a booking for a class, group or individual appointment.

The LRC Manager and team can be contacted via phone on 0208 772 6031 and via email on library@sfx.ac.uk

- Students should always have their ID on them. As they will need it to borrow materials from the LRC. They will also need to hand it in to book study desks or to show it when challenged by a member of staff to do so.
- Students are able to book a PC via application available across the College called MYPC. If booked in this way, the student does not have to queue to book but is able to go directly to their booked PC to log on and start working.
- Students can bring in bottled water to the LRC. However, anyone with any other type of drink or food will be immediately asked to leave.
- The LRC is a silent study zone. Anyone found talking (using the phone to talk to someone and/or make voice notes) will be asked to leave the LRC. All phones must be switched to silent or off before entering the LRC.
- Socialising in the LRC is not allowed. This includes the following; applying makeup, hair grooming, watching a match/video, sharing headphones to listen to the same music, playing clips from social video apps on your phone or collaborating on course work.
- Students must sit at the desk /computer allocated to them. Only one student is allowed at a desk/PC. Please leave it tidy with the keyboard and mouse placed in front of the monitor. Bin all rubbish and put all reference material on the trolley to be re-shelved.
- Using LRC assets for social media /personal entertainment purposes is not appropriate. Such students will be challenged about usage and could be asked to leave and/or be temporarily banned.
- When using headphones make sure the sound cannot be heard by anyone sitting beside you. LRC staff are tasked to challenge students if this is an issue. Headphones are just one of several equipment items which can be borrowed within the LRC. If this service is misused by a student, it is cancelled for them.

Students must at all times comply with these LRC Rules and Regulations. Consideration for other students and staff working in the LRC is key.

Students are responsible for the environment and equipment they use on the LRC. They will be billed for damage caused or materials lost. It is important to monitor the College email account for requests to return borrowed items within the time specified. Please be prepared to pay any fines or charges incurred, if items are not returned within the time specified.

Students who fail to abide by the LRC Code of Conduct will be subject to disciplinary procedures and may be banned from using the LRC. Students caught misusing the computers will face an immediate seven-day ban from the College network.

I understand the points above, and agree to keep to the LRC Code of Conduct.

St Francis Xavier Learning Code 2022/23

These strategies are for students who need support to achieve success in terms of:

- I. Attendance and punctuality
- II. Behaviour in class
- III. Meeting deadlines for homework and coursework
- IV. Attitude to, and standard of work (including in relation to Value Added Target grade)

Stage	Who?	Intervention	Communication
Warning	Subject teacher (ST) or Personal tutor (PT)	<ul style="list-style-type: none"> • Discuss concerns with the student and set 1-3 clear targets for improvement • Follow departmental guidance to support student to be more successful • ST to check on Dashboard and with the student that there are no extenuating circumstances • Informal discussion ST to monitor progress • Refer to ALS guidance and begin supportive intervention • Refer to Counsellor, Welfare Officer or other appropriate support 	<ul style="list-style-type: none"> • ST to discuss with student and set targets • ST to update Dashboard with actions/ improvement targets with deadline and change dashboard status. • Email sent to parents to inform them of this stage, with w/b date for review
1 First formal discussion With ST/PT and student	ST	<ul style="list-style-type: none"> • ST/PT meets with the student and agrees 2-3 clear, specific targets for improvement • ST/PT to monitor progress • Consider referral for Recovery Education intervention, as appropriate 	<ul style="list-style-type: none"> • Agreed targets and date for review confirmed on Dashboard by ST/PT and status changed • Email and letter sent via Dashboard to parents/ guardians). ST/PT must confirm that communication with parents has taken place.
2 (Senior Review) Second formal discussion, with active parent/guardian involvement	HoD/DoF /HoH	<ul style="list-style-type: none"> • Formal discussion between student and HOD with a formal warning • Setting of 1-3 clear targets for improvement • ST/PT to monitor progress (and recognise any improvements) liaise with HOD, and if appropriate student support services & Recovery Education • HoD/DoF/HoH meets with student to hold review on date agreed in meeting 	<ul style="list-style-type: none"> • Record made on Dashboard by HOD • Parent informed via phone conversation, Zoom or in-person meeting • Contract issued and further email and letter home sent to parents/guardians via Dashboard, confirming targets and date of review • Date set for review of progress
3 (Senior Review) Third formal discussion with parent meeting	DoF/HoH	<ul style="list-style-type: none"> • Formal discussion between student, parents/guardians, and HoH. HoD/ST/PT present if necessary. • Setting of 1-3 clear targets for improvement • HoH to monitor progress (and recognise any improvements) and liaise with ST/HoD • HoH monitors progress and meets with student to hold review on date previously agreed 	<ul style="list-style-type: none"> • In-person parent meeting arranged • Record of discussion and targets entered on Dashboard by HoH/DoF. Status changed. • Agreed targets confirmed with copy of contract sent/given to parents/ guardians by HoH/DoF, with date set for formal review of progress • Review meeting recorded on Dashboard by HoH/DoF. • Appointment made with Careers
Academic Board Review	Academic Board (SMT)	<ul style="list-style-type: none"> • Student's case referred to the Academic Board • Review evidence on Dashboard • Action taken as deemed appropriate, which can include termination of place at the College 	<ul style="list-style-type: none"> • Record of outcome entered in Dashboard by SMT member • Agreed action (and likely consequence) confirmed in a letter to student, signed by Associate Principal, with copy to parents/ guardians.

Academic Board meeting			• Phone call follow up to parents/guardians(HOH)
------------------------	--	--	--

ST = Subject Teacher
DoF= Director of Faculty

PT = Personal Tutor
SMT = Senior Management Team

HoH = Head of House

HoD = Head of Department
ALS = Additional Learning Support
