

## SFX NEEDS FOUNDATION GOVERNORS!

St Francis Xavier Catholic Sixth Form College, Balham, provides an exceptional full-time education to 16 – 19 year olds from the whole community, across several boroughs, and is seeking **foundation governors**. Being a governor gives you the chance to make a real difference to young people and their future.

Governors don't need to be experts in education. You do need to be a practising Roman Catholic with skills and life experience that will contribute to the governing body's responsibility for preserving and developing the educational character and mission of the College; its solvency and assets and the achievements and safeguarding of its students. Without doubt an interesting and rewarding role for a volunteer who can make time to prepare for, attend and participate in at least six evening meetings each year (full Board and minimum one sub-committee). Training and development and full support are given for the role – plus you could gain a variety of new skills at the same time as developing the ones you have been blessed with.

The governors are particularly, although not exclusively, seeking volunteers with current experience / expertise in human resources management or accountancy / audit – but, above all, an interest in ensuring young people achieve their very best potential in a college with a Catholic life and mission at its heart.

If you are interested, or would like to know more, please contact Eleanor Lewis, Clerk to the Governors (020 8772 6062 – [e.lewis@sfx.ac.uk](mailto:e.lewis@sfx.ac.uk)).
